**PLEASE MAKE SURE YOUR SCOUTS ARE DRESSED  
APPROPRIATELY FOR THE WEEKEND!**

This cannot be stressed enough for an enjoyable and safe weekend for everyone!

**Suggested things to bring:**

January is usually pretty cold. Keeping you and your Scouts warm is important.

We would recommend a layered approach to dressing for the weekend-everyone needs to be in boots/winter coats/gloves/hats-we recommend wearing wool blend socks and you may need to bring extra gloves-several of the buildings will be heated, so please take some time to warm up during the afternoon. Dressing in layers will also help keep your Scout warm.

\*\*\*If you are planning on sledding don't forget to bring your sled!!!

**If your Pack is staying for the night:**

Flashlight

toiletries

Sleeping bag and pillow

Pajamas

A change of clothes for morning-warm clothing

And of course lots of enthusiasm

We can't wait to see you for a great weekend

**have some morning activities and until approximately 10:00 am.**
