

VOLUNTEER MANPOWER PROPOSAL

Date: _____

Developing outstanding representative volunteer leadership requires our constant concern. The use of this form brings the names and background of prospects before our top leadership in an efficient and orderly way. Please use it to propose all manpower prospects either for immediate attention or for future consideration. This form must be signed and approved by the Scout Executive of the local council, the regional director, and the Chief Scout Executive's Executive Committee before the nominee may be approached for membership. Additional information may be attached if necessary.
