COMMUNITY

THANK YOU,

What an exciting time to be a part of the Winnebago Council – Boy Scouts of America! Since 1910, the Boy Scouts of America has been fulfilling its mission of instilling timeless values in the lives of over 100 million youth. 2010 will be a year long celebration of that achievement with several events occurring across the nation. From intimate banquets to live, national simulcasts, we are taking advantage of every opportunity to reintroduce ourselves to America.

While 2010 is a year of great celebration, it is also a year of great responsibility. It rests upon our shoulders to foster programs that deliver timeless values of the BSA in ways that are relevant to tomorrow's youth. At the local and national levels, we are working tirelessly to make the Scouting program available to every youth in Northeast Iowa.

Rather than resting on the accomplishments of our past, our goal is to leverage this occasion in a way that achieves unprecedented for the Winnebago Council. To that end, we recognize that you may have played an invaluable role in helping us deliver the first 100 years of Scouting. **THANK YOU!** It is our great hope that you will join us on our next 100 year journey.

Council President

Scouting expenses are **\$180** a year, per boy for the program.

WHY SUPPORT SCOUTING?

"Scouting gave my sons the confidence to take care of themselves in any situation. I don't worry as much about them when they are off at activities because I know they will know what to do if something happens. **They are prepared for life.**"

-Kathy C.

"Scouting's real value has been not in the content of the handbook, not in the requirements of the merit badges completed, **but in the experience of doing those things.**"

- Tom S.

"Boy Scouting has been one of the best decisions our family has ever made, **we've learned so much, made great friends and worked hard.**"

-Mike S.

"Give and it shall be given unto you, good measure, pressed down and shaken together, and running over. **That sounds like Scouting to me!**"

- John W.

"The Boy Scouts of America is in its **100th Anniversary** and it seems only fitting that on its centennial that **we should honor, and try to give back to**, this outstanding organization that has helped so many young people and produced so many leaders."

-Matthew D.

"Being an Eagle Scout and Boy Scout before that and Cub Scout before that **were't only rewarding and taught me a lot**, they were fun and resulted in many lasting friendships."

-Dave R.

"**Becoming an Eagle Scout** set the stage for everything that would follow because of the lesson it taught me which is to set goals and finish a project."

-Chris H.

I often hear Scouters say, "I volunteer my time; I shouldn't have to pay money, too." **My response is**, "If Scouting were not here, who would you pay to give your child the experiences he has in this organization?"

Scouting means the world to me and my 15-year-old Eagle Scout. I can't think of a place (other than church) where I would rather he be involved.

I hate to think of where he would go without Scouts and where Scouting would go without FOS."

-Jeff P.
