

Survival Bracelet

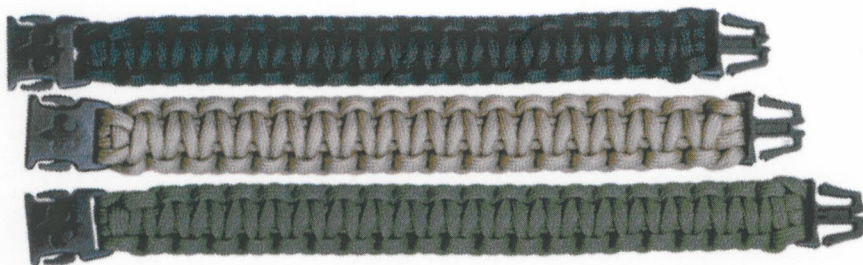

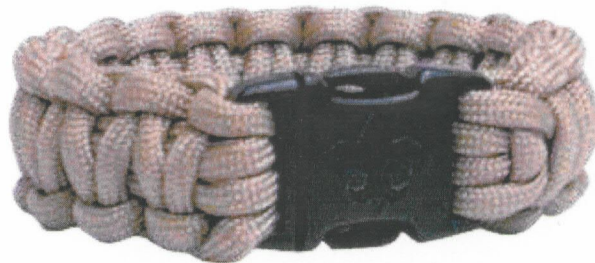

SKU # 612239-250

Comfortable to wear on any outing. Always accessible and adventure ready, this bracelet can be one of the most versatile pieces of equipment you take to the field. Made of a single length of 550 type III Paracord. If an emergency occurs, simply let it “unravel”!

Features: Light weight, super strong, super compact design. Bracelet is 32 strand braided sheath. Inner strands made of 7 two ply yarns, used by military and law enforcement worldwide. Buckle is engraved with a fleur de lis. Meets paracord component listed for nearly all survival kits. Comes in black, khaki and olive. Sizes: Youth Large, Adult Small-Large. It's the Survival 101 Tool that looks pretty cool! Check it out today.
