

Are you working on your family vacation plans for the Summer of 2011?let the PTC give you a hand!!

The Philmont Training Center (PTC) is the only National Training Center for the Boy Scouts of America. Since 1950, PTC has provided both a unique environment for training volunteer and professional Scout leaders, and also a **fun family program for every member of the family**. This is training that will help you become a better leader in your current, or future Scouting position, ...or just take the training because you want to.

Nestled in the foothills of the Sangre de Cristo Mountains of northern New Mexico, near the village of Cimarron, PTC is located on the grounds of the Philmont Scout Ranch. With gorgeous scenery, local wildlife, and rich southwest history, PTC is guaranteed to be a distinct conference experience.

More than 80 week-long conferences are conducted each summer for unit, district, and council volunteers and professionals. These conferences are coordinated by the Volunteer Development Team and feature a faculty of experienced Scouters from across the country. Each conference features the latest tools, techniques, audiovisuals, discussions, networking, and activities to strengthen the Scouting program and make your program a success.

Now, attending PTC is even easier. All Scout leaders are invited to attend! You no longer need council approval to register for a conference.

While you attend the conference during the day, the Philmont Training Center offers a family program that's open to all ages, from infants to spouses. Our staff leads family members in groups according to age, and lead them through a variety of activities appropriate for those ages. Activities include: horse rides, hikes, crafts, games, nature walks, archery, and much more. In addition to schedule activities, there is plenty of time for families to enjoy the beauty of the area together.

The Philmont Training Center has a course for every Scouter who is interested in learning how to provide a better, stronger Scouting program.

Space is still available! To register, go to www.myscouting.org and click on the 'Events Reservation' tab.

For more information on courses, family program, and the local area, check out our website at: www.PhilmontTrainingCenter.org, or call us at 575-376-2281.
