

## Friends of Winnebago Wood Badge

This is an invitation to all Scouters to become charter members of a new association called **Friends of Winnebago Wood Badge**. The primary purposes of this association are to provide financial support for Wood Badge courses in Winnebago Council and to promote attendance at the course.

Why is an association to support Wood Badge necessary? Wood Badge requires dedicated supplies and equipment and since Wood Badge is offered in the Winnebago Council every two to three years, it is important to provide storage, security and maintenance of items used in the Wood Badge course. It is also the goal of the Winnebago Council to offer the Wood Badge course as inexpensively as possible, so the Friends of Winnebago Council will sponsor fundraising activities to help keep the tuition to the course as reasonable as possible.

Annual dues are \$14.00 per year (a Lifetime Membership is available for \$100), and membership provides you with a patch (Charter members who join before December 1, 2010 will receive a special patch), and an invitation to an annual meeting dinner. Donations to benefit Wood Badge will also be accepted through Friends of Winnebago Wood Badge.

Membership is open to anyone who wishes to support Wood Badge, which offers leadership training to Boy Scout, Cub Scout, and Venture leaders. To join, please complete the following registration and send it with your membership dues (made out to Winnebago Council) to the Winnebago Council BSA Scout office, 2929 Airport Blvd, Waterloo, IA, 50703. If you have questions, please contact: Edward J. Narigon, 1006 Oak Park Blvd, Cedar Falls, IA 50613 Telephone: Home 319-277-6255; Cell 319-239-5524 or email to: [ednarigon@cfu.net](mailto:ednarigon@cfu.net).
