What is the Venture Crew?

The Emergency Services Venture Crew is a fun, co-ed youth development program for young men and women between the ages of 14—20 to provide positive experiences to help mature and prepare them to be responsible, caring adults. Crew members are exposed to a range of useful, interesting, life-saving skills and activities.

The Venture Crew is based on a unique and dynamic relationship between youth, adult leaders, and organizations in their communities. Local community organizations establish the Emergency Services Venturing Crew by matching their people and program resources to the interests of young people in the community. The result is a program of interesting and meaningful activities that helps youth to grow, pursue their special interests, develop leadership skills, and become a great asset to our community.

Feel free to join us in one of our meetings to hear what we're all about! Meetings held every 1st Monday of each month at the American Red Cross, 2530 University Avenue in Waterloo at 7pm.
