Dear Unit Leaders,

We are excited to invite your Scout troop to the Wabuha Spring Camporee to be held the weekend of April 23 –25 at Ingawanis Adventure Base.

Please read through this information thoroughly and share with the leaders, parents and Scouts in your unit.

For the Spring Camporee there will be two competitions running simultaneously. The Adventure Base Challenge will have various stations with activities ranging from paintball target shooting, ax throwing, log sawing and more.

The Scout Challenge, Be Prepared-Expect the Unexpected is a challenging and competitive scout skill course that will test your scout's basic skills, but also how your troop's team stacks up with other troops who participate. This course is designed for older Scouts, 14 and above and first Class rank. Teams are limited to no less than two and no more than 3 per team, and only one team per troop. There will be an eight team limit for the two courses, first come first served.

In addition to the exciting events we have planned this year we are also going to have a Dutch Oven "Let Them Eat Cake" Cooking Competition. What's a birthday party without cake? Each Scout Patrol (3 or more Scouts) may enter one cake and each troop may enter one adult cake in the Dutch Oven "Let Them Eat Cake" Contest.

We need your assistance with staffing this event. With many exciting activities planned for the Troops we need Staff Members! Each Troop is asked to encourage adult leaders to volunteer to work on the Camporee Staff.

If there are any adults who would like to assist with the planning and staffing for future Camporees, you can contact us, as fresh ideas are always welcome for these events.

Call or email Karen Paschke, if you are interested in being either on staff for this Camporee, or are interested in helping with planning future Camporees.

As always we look forward to seeing you at the camporee!
