The Wapsie Wranglers, Winnebago Council, Boy Scouts of America are a volunteer group of Scouters who love horses. We are dedicated to the perpetuation of Horsemanship, making it possible for over 10,000 boys and girls in the Winnebago council area to take part in the Camp Ingawanis program. Fourteen horses of the Winnebago Council are maintained, along with the pasture, barn and arena area. All funding of the horse program comes from money received from our annual horse show sponsors, exhibitors, and spectators, plus year-round trail rides and rental of the arena area for horse shows. Members of the Wapsie Wranglers direct, manage, and personally help in the program. They receive only the great, personal satisfaction of knowing their efforts bring horses and youngsters together. We encourage individuals, families and businesses to provide sponsorships. Contact us to include your information.
