

ESTABLISHED IN 1962

The Wapsie Wranglers were established in 1962 to support the Wapsipinicon Council Horse program. The Wranglers currently maintain a herd of 14 horses and over 8 miles of wilderness horse trails at our camp, Ingawanis Adventure Base near Waverly, Iowa. Our primary objective is to promote horsemanship for youth and community for many generations to come. We do this by providing trail rides, hay rides, steak dinner rides, and our Annual Horse Show, now in it's 50th year. Our camp, trails, and horses are owned by the Winnebago Council, Boy Scouts of America.

Celebrating

50 Years!

ARENA RIDES

FOR THOSE YOUNG COWPOKES

Our show arena is available. Youth under the age of 11 years are limited to arena rides. Youth are to be with an adult to lead or sidewalk with the horse and its rider. Our Wranglers supervise the arena walkers.

Birthday “ride parties” provide a memorable party!

Horse games and activities can be coordinated for a fun learning experience.

STEAK DINNER RIDES

FOR THOSE HUNGRY COWBOYS & COWGIRLS

Want that good Old West Adventure? Then come join us for a 1 1/2 hour trail ride and a meal any cowpoke would be proud of. Your ride starts off at our corral and after 1 1/2 hours exploring and enjoying the sites and experiences along the trails, you will be treated to a cook your own steak meal with all the trimmings. Then sit down around the campfire and share some tales and stories from your friends and family. After your campfire it's back to the corral to ride off into the sunset with a smile on your face and memories never to be forgotten.

TRAIL RIDES

FOR THOSE TRAIL SAVVY WESTERNERS

Ingawanis Adventure Base tries to maintain a balance of trails and conservation. We support and maintain over 8 miles of trails through hills and valleys in Bremer county and along the scenic Cedar River. Along our trails you can see natural such beauty as natural springs, meadows, wildlife, bluff, and great autumn leaves. Sometimes Bald Eagles can be seen flying along the river.

With our herd of gentle trail broke horses we can give trail rides to groups of up to 12 riders (back to back rides are available for larger groups) each trail ride is approximately 1 hour in length.

Because we can't possibly cover all our trails in one ride, come back again and bring your friends.
